PLAYWAY

to English

Second edition

Playway to English Second edition is a new version of the popular four-level course for teaching English to young children.

Pupils acquire English through play, music and Total Physical Response, providing them with a fun and dynamic language learning experience.

In the Activity Book children can:

- Practise all the target language from Pupil's Book 1
- Consolidate learning with an engaging CD-ROM, containing a rich assortment of exciting activities
