

OD2 5AB hodina 9 2023 (*vlastně hodina 10*) 1) Krátce projdeme úkoly z minulé hodiny WB 26 27 – vč. samostatného psaní, případně další za úkol zadaná cvičení z minulého pracovního listu

2) Začneme Unit 4 – SB 36, 37, 38, 39 **HW SB 40**

Před zpracováním úkolu v SB 40 silně doporučuji pořádně zopakovat předcházející text – Let's make ice cream- můžete použít i youtube Oxford Discover 2 Unit 4 – text a poslech je tam v jednom.

3) **HW WB 28 29 30 31**

4) **HW: Riddles** (*hádanky.*)

1. I am dark brown or light brown. I am solid. When you heat me up, I melt and you can pour me on a cake.
2. I was solid – I was a kind of fruit. Now I'm liquid and you can drink me from a glass or a can. I am orange and I am healthy.
3. When the weather is freezing – 0 degrees or colder – you can find me on ponds, lakes and sometimes rivers. You can skate on me. In the spring, when the weather gets warmer, I melt and change into water.
4. I am a small wooden stick. You can make a fire with me. You can find me in a small box.
5. People bake cookies or cakes in me. You can also roast meat or vegetables in me.
6. I am a mixture of rice, vegetables and small pieces of meat – usually chicken meat. People eat me in many countries. Sometimes you can eat me in the school canteen.
7. People drink liquids from me – usually hot liquids. Sometimes they put a saucer under me.
  8. I was liquid and white, now I am solid and yellow. You can put me on a slice of bread.
  9. I was solid – I was a kind of vegetable. Now I'm liquid and people put me on spaghetti, on pizza, sometimes on hot dogs.
  10. I was a thin liquid and now I am a very thick liquid. I come from cows. People put me in cornflakes or muesli or they just eat me with a teaspoon. They put fruits or nuts in me, too.
