POLITELY THOUGHTFUL GREEDY **PAY ATTENTION** (=dávát pozor) ALARM RING

➤ Do your best to come *on time / late* –.....the doorbell 5 minutes *before/after* the start of the class. Not earlier – you *want /don't want* to **disturb** the other kids' lesson.

➤ Be polite and to the neighbours in the building. Remember that you are guests here and the other people live here. Don't be *noisy/ quiet*.

➤ *Don't block/ Block* the lift for a long time.

➤ *Greet/ Don't greet* the neighbours

➤ *Don't run/ Run* to grab the best seats for yourself and your best friend. Don't be and selfish. Be friendly to all your classmates!

➤ Keep your study materials *tidy/messy*. Leave **unnecessary stuff** at home.

➤ Bring your homework and make sure you *know/don't know* where exactly it is.

➤ Take turns – give your classmates a chance to speak, *too/two*. Don't be selfish.

Don't **cut in** when other people are speaking. Raise your *hand/foot* and when the teacher calls you, ask: "Excuse me? May I say something?"

➤ *Change / don't change* the **topic** of the class discussion. When we are discussing nature, share your ideas about nature – don't start to speak about your lunch.

➤ Don't **doodle** (=draw) during speaking activities – it is rude to the others. You should to what they are saying. But you *may / may not* doodle during a listening task – that's OK!

➤ If you have to leave the class exactly on time, even before the end of the lesson, set theon your mobile phone. *Disturb/Don't disturb* the lesson by asking what time it is and when we are going to end.

➤ Make sure you know where to find your homework *online/offline* – if you are in a hurry to leave, don't ask the teacher about homework – you'll save time :-)! (Your time and the other pupils' time, too.) Come back for the next lesson *with/without* a smile :-)!
