

OD2 6A + prima hodina 2 2024 Na zahřátí:

1) Projdeme úkoly - SB 132/A, B, C WB 112 – 113 – Music all around us , 114 – opakování *in, on, at* – časové výrazy, a doplňovačku na prac.listu z minule: minulý čas prostý.

2) SB 134 – Words. yawn *jón zívát*, proud *praud hrdý*
SB 134 - Listening

3) SB 135 – Speaking, Synonyms

4) HW WB 116 117 – including writing . Klíčová fráze: *It made me feel...*

V hodině se s dětmi domluvíme, zda zůstaneme u tématu hudba a budeme případně pokračovat příběhem z unitu 16, v tom případě by byl k tématu ještě nějaký úkol z učebnice:

nebo využijeme čas na nějaké gramatické karty /vyprávěcí kostky /písničku

- - - HW:

2) Fill in *which/ that* about things or *who* about people.

1 I have a friendoften goes fishing with me. We go to a pondis not far from our town.

2 Let's recycle all the PET bottles stayed in the house after our party. Here's a bag inwe can put them.

3 We camped at a campsitewas in the middle of woods. There were some people littered.

4 Let's reuse the plastic bags inwe bought fruits and vegetables – they are still good.

5 Peoplethink about nature try to reduce their waste. They think about the thingsthey buy.

6 Can you give me the empty jarsyou don't need? I am going to make strawberry jam.

7 The manstole my suitcase was tall, slim, and he was wearing a cap and dark sunglasses.

8 I couldn't find my purse,was on the bottom of my backpack.

9 The girl,was carrying a cage with a new hamster from the pet shop, was smiling happily.

10 My friend,invited me to the sweet shop, took out his wallet and paid for the cake.

Přítomný čas průběhový – co se děje právě teď nebo přibližně teď.

Present Continuous: (I am visiting, you are visiting, are you visiting? He isn't listening. BE +ING)

1 *Right now*, I(visit) a museum of science. What an amazing place! I(take) lots of photos, but I(not use) a selfie-stick. It isn't allowed to use them in this museum.

2 Some school groups(listen) to their teachers and museum guides. I.....(stand) quietly in front of a model of a spaceship. I(not listen) to anybody, because(read) a long text about the model. We(learn) about space at school and I(prepare) a presentation about space research.

3 *John*:you.....(do) the unit about space in your Science lessons now?

Lily: No, we We(study) the unit "Natural Resources."

John: anybody in your class(prepare) a presentation about it?

Lily: I don't know. I(not prepare) any presentations at the moment, I(write) an essay about wasting water.
