

## OD4 6A + prima hodina 14 2024

1) We browsed *Oxford Discover 4* book and talked about what we **look forward to**.

(frázové sloveso **look forward to** = těšit se; pokud je za tím sloveso, tak s **-ing tvarem** )

I look forward to reading the comics about viruses and immunity in unit 11.

I look forward to Unit 3 – I am interested in history.

**HW:** Write 3 sentences with **look forward to...** (you can use nouns or -ing forms of verbs)

- 1.
- 2.
- 3.

2) **SB 8** – we practiced the vocabulary.

**HW WB 2, 3**

3) **SB 9** – we tried to **visualize** different things – to make pictures in our mind.

We will try to **visualize** the following situations in the lesson:

a) You are on a crowded train. You are going to travel a long way and there aren't any free seats. Describe what you see in your mind:

b) You are at a campsite by the river and you and your friends are looking for a place to put up your tent.

Describe what you see in your mind:

c) Your family have bought a house, but there are a lot of old things in the cellar. You have to empty the cellar.

Describe what you see in your mind:

4) **SB 10-11** – we read the science fiction story *Bella's Home* and listened to the CD.

**HW: SB 12**

Next week there will be some vocabulary revision with words from page 8 and the following words and phrases from lesson one:

POEM    HUGE    BUMPY    SURFACE    SPOTS    VAST    ON DISPLAY    REALIZE    APPEAR

LOOK FORWARD TO    AT THE SPEED OF LIGHT

5) Do you have a good idea for homework? What kind of English project would you enjoy doing?

Something creative? (Film a short video, record a voice-message, draw a comics... )

Grammar drill? (Grammar makes speaking easier when you know how to use it automatically)

Exploring something? (Finding something more about any topic that came up in the lesson.)

Practicing new vocabulary? (Writing crazy sentences with words from the lesson.)
