A Successful Day

Trevor lives in a big city. His neighborhood is very dirty and there is trash on the streets. Trevor asks his friends, Mark and Simon, to help him organize volunteers to clean up their neighborhood. Trevor doesn't know a lot of people in the area, but Mark and Simon do. They find twenty people to help! On a Sunday they all meet and Trevor hands out bags and gloves.

"You need to be careful, everyone," he says. "Don't touch any trash with your hands." Everyone works hard all day and, when they finish, Trevor suggests that they all go for pizza. They cleaned the streets and Trevor made some new friends!
