1) V úvodní hodině nebudeme rovnou pokračovat v učebnici; procvičíme slovíčka na smyslové vjemy - *sensations* – většina z nich bude pro děti opakování. V hodině budeme nejprve slovíčka cvičit ve spojení se skutečnými předměty a obrázky. (příloha – str.96).

2) Pak je použijeme k prolistování učebnice a hledání obrázků. (picture hunt – druhá strana přílohy)

3) Revise the words before testing your memory:
