When I was a child, I loved stories, but I hated P \_\_\_ S – rhymes were boring for me.

The road was B \_\_\_ Y and one of the passengers was carsick.

In the Biology classroom, there are some stuffed animals \_O\_ D \_\_\_\_\_Y and I think it's sad.

There's a H \_\_\_ E island of rubbish floating in the Pacific Ocean. It's called Great Pacific Garbage Patch.  
(Garbage means rubbish.)

There are craters on the S \_\_\_\_\_ E of the Moon,

I really L \_\_\_ F \_\_\_\_\_ T\_ reading about our solar system.

The V \_\_\_ T sky above our heads makes us R \_\_\_\_\_ E how small we are.

Two dark specks A \_\_\_\_\_ ED on the horizon and as they got closer, we saw that they were pirate ships.

After my lunch, there were greasy S \_\_\_ S on my new T-shirts.

O \_\_\_ T is the path that a planet makes around the sun.

Try to V \_\_\_\_\_ E a two-dimensional universe. Our planet wouldn't be a ball, but a flat D \_\_\_ K.

**Když zbyde čas, zahrajeme si gramatické karty nebo něco podobného.**
