1) **SB 85** suffix – ation

3) **Maybe: SB 86 – A descriptive report about a topic that interests you.**

4) **HW WB 76 77, including writing Maybe: WB 78 – no writing, just choosing a topic and preparing it**

Indirect questions have the same word order as statements:

How many times *have the children been* to the zoo?

- I'd like to know how many times *the children have been* to the zoo.

To focus on the word order, we are going to practice reported questions after a **present tense reporting verb** – so you **don't have to use the one-tense-back rule**. (Because the one-tense-back rule is applied only after a past tense reporting verb.)

STRUČNĚ ŘEČENO – “REPORTING VERB“ NENÍ V TOMTO CVIČENÍ V MINULÉM ČASE, TAKŽE NEŘEŠÍŠ POSUN O ČAS ZPÁTKY, ŘEŠÍŠ POUZE TO, ŽE V NEPŘÍMÉ OTÁZCE JE STEJNÝ SLOVOSLED JAKO V OZNAMOVACÍ VĚTĚ.
