

# Unit 2 Test

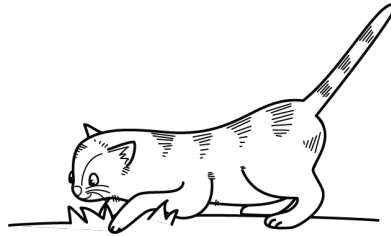

Name: \_\_\_\_\_

## 1 Look and write the words. / 6

hunt squawk fight peck escape creep

1 \_\_\_\_\_

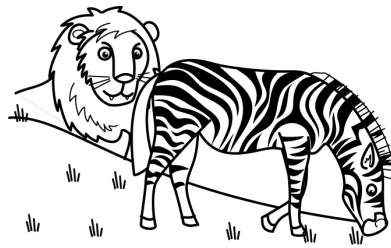

2 \_\_\_\_\_

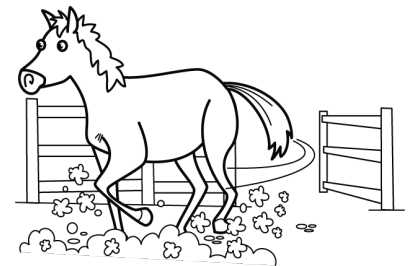

3 \_\_\_\_\_

4 \_\_\_\_\_

5 \_\_\_\_\_

6 \_\_\_\_\_

## 2 Write the words in the correct order to make sentences. / 7

1 sometimes / watch / TV / I

\_\_\_\_\_

2 walks / usually / She / school / to

\_\_\_\_\_

3 drinks / She / hardly ever / juice

\_\_\_\_\_

4 always / He / eats / dinner

\_\_\_\_\_

5 soccer / I / never / play

\_\_\_\_\_

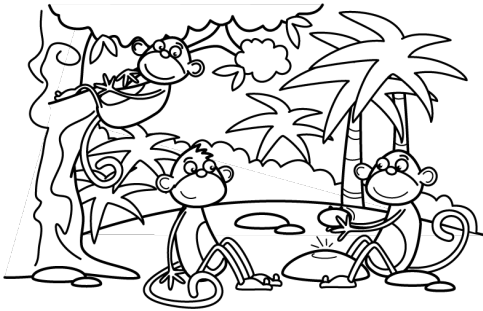

6 hardly ever / Tom / plays / piano / the

\_\_\_\_\_

7 I / soup / eat / in / always / winter

\_\_\_\_\_

**3 Read and circle *True* or *False*.**  / 6

*Smart Monkeys!*

Monkeys are mammals and they make things with their hands, just like people! They are usually strong because they hit rocks and climb trees. They are sometimes fierce and

male monkeys fight each other. But female monkeys are never fierce with their children. They are usually calm and patient. Monkeys always live in groups and hardly ever move to new places.

- |  |      |       |
|--|------|-------|
| 1 Monkeys are mammals.                         | True | False |
| 2 They are hardly ever strong.                 | True | False |
