

OD5+ hodina 30 2024

0) Checked HW SB 118/ 4, 5,6

1) checked and discussed hw **WB 34 35** – Reading and speaking: **Why competition matters**
Completed exercises on p.32

2) **SB40 – The War of the Currents** (*though I am not sure if it doesn't deserve a bit more time – all topics in this unit are so interesting that it is hard to fit two in one lesson!*)

Reported speech – SB 41?

3) **HW SB 119 – Reported speech, Indirect questions** (*we had covered this grammar before, so you should be able to tackle this even without a proper introduction in the lesson if we don't have enough time for SB 40*)

4) **HW WB 37/4, 5, 6, 7, 8** (Vocabulary, Reported speech, Indirect questions)
